

# ACTIVITY BROCHURE

CAHOOTS  
ADVENTURE  
CAMP

At Cahoots Adventure Camp we offer a range of exciting, educational activities suitable for all ages.

Whether you want to connect with friends, strengthen your team or take the classroom outdoors, we'll bring out the best at Cahoots!

Each activity facilitates learning and skills development, builds confidence and promotes healthy, active lifestyles. Our experienced activity facilitators instruct each session in accordance with our 'challenge by choice' philosophy, encouraging participants to build on their strengths and broaden their perceived limitations through participation in both individual and team environments.

Activities are available Monday to Saturday except for public holidays. See final page for activity rates.

## FUN & ADVENTURE

### ARCHERY

You may not be wearing tights, but you will feel like Robin Hood and his merry men! Our archery program is delivered by experienced local instructors, ensuring excellent coaching and maximum enjoyment for all participants. Participants must be nine years of age or older. Additional supervision to be supplied by the group.

### THE COLOUR WAR

The Colour War is a favourite with campers of all ages! Teams compete to earn their ammunition, defend their colour stores from raiding parties and launch into an all-out war with the simple objective of getting more colour on the opposition than they get on you! Swimming goggles are recommended (but not required) for this event.

After the Colour War participants need to wash down before showering. Colour War participants are not permitted in dorms, communal areas or swimming pool until they have rinsed off.

### DISC GOLF

Disc Golf, also known as Frisbee Golf, is a game of precision and accuracy in which players throw the disc (frisbee) towards the basket with the aim of completing the course in the least number of throws possible. Sounds easy, right? It's all the fun of mini-golf with a disc! Now available at night!

### LASER TAG

Always popular, our Laser Tag will have you caught up in the world of virtual shoot-outs, team challenges and tense ambushes. Available day or night.

### HIGH ROPES COURSE

Come and experience the native Australian bush like never before as you weave and climb through the tree-tops on our High Ropes Course. Defy gravity on our elevated tightropes, cargo nets, suspended bridges and rope ladders, before taking a leap of faith from a six-metre platform! Available day or night.

*Guests using the High Ropes Course will be correctly fitted with a waist harness and attached to a continuous overhead belay. Our certified operators are responsible for hooking and unhooking the participants and supervise every aspect of the course.*

## LOW ROPES COURSE

Take the challenge of our Low Ropes Course, suitable for ages 5 and over. Allow our trained facilitators to guide your group around our beautifully-designed course. With varying degrees of difficulty, there is something for everyone. If time permits, participants can undertake speed trials and the agility challenge! Facilitation of this activity by Cahoots Team Members is required.

*Night sessions are now available!*

## ORIENTEERING

Put away the GPS and brush up on those map-reading skills! Our orienteering courses are suitable for everyone, from beginners to the more experienced. Our fenced property provides a safe, expansive space for your orienteering experience.

## ROCK CLIMBING

Take the vertical challenge! Adventure activities don't come much bigger – or should we say, taller – than this. Campers are challenged to reach the top of this whopping 8m climb (it's a great view from up there!). This activity is supervised by fully qualified staff and uses only the best in safety equipment.

## THE ZORB RUN

Jump into a giant inflatable ball and find out what it feels like to be a hamster on the go! Traverse a course, race a friend or simply roll around until you can roll no more!

## GET CREATIVE

Featuring a variety of engaging creative projects from making a kite to designing a t-shirt! Creative fun for all ages and abilities!

## DAY ADVENTURES

Get out and about on an exciting adventure, perfect for the final day of camp. Book your own coach or let us provide a quote for the ride home with a fun and unique experience along the way! Our catering team will provide a packed lunch for the trip.

### DAY HIKE

Cahoots Adventure Camp is on the doorstep of some amazing hiking trails! Our qualified and experienced team will guide your group on a hiking adventure at Walyunga National Park or Bells Rapids – perfect for the cooler months.

Other unique day adventures include Wanneroo Botanical Golf, The Gravity Discovery Centre in Gingin and Perth's Outback Splash next door!

Ask us for group entry rates and a transport quote.

## ENVIRONMENT & DISCOVERY

### BIRDS OF PREY DISCOVERY EXPERIENCE

Get up close and personal with birds of prey. Meet a Wedgetail Eagle and learn what makes them the alpha predator in our Australian skies! You'll be in awe of the beauty of these birds and learn all about their diet, hunting techniques and importance to the ecosystem.

### BUSH EXPERIENCE

Enjoy an authentic Aussie bush experience. Seasonal options include build a camp fire, bake some damper, take a tour and spot a kangaroo. Build a shelter, cast a yabby net and enjoy some bushcraft!

### CRAZY CRITTERS

Get up close and personal with a range of Aussie critters you don't see every day! Look at a lizard, stare at a scorpion, talk to a turtle and befriend a dog!

### ASTRONOMY DISCOVERY NIGHTS

Cahoots Adventure Camp is the perfect place to explore the big night sky. Leading West Australian Astronomers deliver discovery programs for campers, from introductory to advanced levels. Telescopes are provided and programs are tailored to your group. This is an experience you will never forget!

### HIKING EXPEDITIONS

Looking for a different type of camp? Try an overnight hiking expedition along local sections of the Bibbulmun track! Packs, tents, sleeping bags, food and equipment can all be supplied for an exciting adventure between one and four nights! See the Perth bush and hills like never before with our experienced expedition guides. Enquire at the camp office for more information.

## NIGHT ACTIVITIES

### SPY GAMES

Spy Games is a night team game that engages with the local history of Bullsbrook and the RAAF Pearce Air Base. Participants form Secret Agent Cells and must work together to collect critical items scattered around the campsite to complete their mission. Teamwork is essential in order to succeed; however, secret agents may be hindered as guards spot them during their nightly patrols.

### CAMP FIRE

Situated right in the heart of the campsite is the fire pit. There's nothing quite like watching flames dance and coals shimmer under a star-lit sky, with only a breath of cool breeze whisking embers high into the night air. The perfect way to relax after a 'hard day camping'. We even provide the firewood! Bookings are required and groups must check with the Duty Manager prior to lighting. Fires are not permitted during summer months due to fire safety regulations

### GLOW SPORTS

Experience the thrill of playing traditional sports in the dark! With light-up balls and campers adorned with glow sticks, you'll never play during daylight hours again!

### MOVIE NIGHTS

Our Outdoor Movie Cinema is the perfect activity for a balmy summer's night! Campers can relax under the stars after a day of adventurous activity and enjoy watching their favourite movie. If it's a bit chilly outside or if indoors is simply more your style, don't worry, we have you covered too with our Indoor Movie Nights. Both movie night options would not be complete without delicious fresh and hot popcorn. Check out our catering options for more details!

### LASER TAG

Laser tag will have you caught up in the world of virtual shoot-outs, team challenges and tense ambushes. Available day or night.

## TEAM ACTIVITIES

### TEAM BUILDING

Strengthen team bonds as you work together to achieve a range of challenges that will test your problem-solving skills, revealing hidden group dynamics along the way. Teams will need to plan cooperatively, communicate effectively and hone their decision-making skills to be successful. Let the games begin!

### WATER WORKS

A combination of tried-and-tested team challenges that are guaranteed to get you wet! Construct a pipeline to flood the river, cart water in leaky containers, race your ping pong ball to the top of our water totem poles and more!

### CRAZY CAHOOTS GAMES

Let our Cahoots instructors entertain and challenge you with a vast array of exciting games. Providing a range of team and individual challenges, Crazy Cahoots Games encourage groups to work together and provide the opportunity to practise leadership skills.

### TREASURE HUNT

Participants are linked together in small groups to solve the cryptic riddles that will lead them to the hidden locations where they will collect directions. Once the riddles have been solved and directions collated, teams will work together and pace their way to a hidden treasure chest and real treasure!

### TUG-O-WAR

Heave-ho campers! A great activity to use up loads of energy and enjoy some light competition. While there is no charge to run your own tug-o-war, please book ahead.

## SPORTS AND RECREATION

### INDOOR RECREATION

Found in the final 'wing' of the U-hut and adjacent to the meeting hall is our indoor recreation area. The recreation area is a large open space with a range of games such as table tennis. This area can be cleared to be used for your group's own purposes.

### SWIMMING POOL

The pool is always a winner with campers! Take a dip in our beautiful in-ground pool. Surrounded by nature – you'll feel like you're a million miles away. A minimum of two supervisors must be provided by camp groups. Supervisors must be over the age of 18 and must have an aquatic supervision qualification that satisfies the camp group's organisational

policies and/or insurance policy. Maximum of 30 swimmers in the pool area at one time. It is the responsibility of the group attending to ensure that only competent swimmers use the pool. The pool ranges in depth from 1m to 2.4m.

*Qualified pool supervision is available upon request. See price guide for details.*

### VOLLEYBALL & BASKETBALL

Enjoy these popular ball sports as a free time or organised activity; you can even run your own mini tournament! The basketball ring and backboard are competition size, with a half-court concrete court, making it great for shooting casual hoops or some modified competition. Use of the basketball and volleyball facilities are free of charge.

# RECREATION PROGRAMS

At Cahoots Adventure Camp we are passionate about making every camp experience a memorable one. We value the time you spend with us; and we want that time to be some of the best of your life! So let our team do all the work for you and tailor a camp program that's made especially for you. We offer fully programmed camps from one day to one week.

When you choose a programmed camp, you are free to relax and enjoy your camp experience, knowing that we have thought of everything AND organised it all for you! Programmed camps include accommodation, full catering, a full activities program and all the qualified instructors required to lead the selected activities. All you have to do is provide the additional adult supervision required for your activities.

If you would like us to create the perfect program for you, simply contact us at [info@cahootsadventurecamp.org.au](mailto:info@cahootsadventurecamp.org.au) and tell us a little about your group, how long you'd like to spend with us and what sort of themes or outcomes you'd love to see as part of your camp experience –then leave the rest to us!

## WANT TO ORGANISE YOUR OWN ACTIVITIES?

Camp groups are welcome to organise their own activities provided by a third party. Details of the third-party provider must be supplied to Camp Management prior to booking. Camp Management reserve the right to full discretion over the activities and providers admitted to the premises. Cahoots Adventure Camp accepts no responsibility for any injury, illness, loss of life, damage or loss of property that may occur during any activity.

## DUKE OF EDINBURGH AWARD

Did you know Cahoots Adventure Camp is the only Open Award Centre in WA for the renowned Duke of Edinburgh Award Program? This amazing program instills confidence, motivation and drive in teens and young adults, as well as offering some amazing outdoor adventure experiences! Talk to us about providing your students, group members or children with a life-changing experience through the Duke of Edinburgh Award Program.
